

# APPLICATION FORM

## ABOUT THE FUND

We care for trees, woodland, hedgerows and wildlife in Jersey. Creating, preserving, protecting, managing natural environments is an integral part of island life and essential for future generations.

Applications will be individually assessed and successful applications will be awarded funding on merit, at the discretion of the Jersey Trees for Life trustees.

We can also help with general planting and environmental or woodland management, or with more specific tree and shrub advice if required.

## WHO CAN APPLY?

Any islander or non-commercial organisation or group with a woodland or ecology project, or piece of work, for the benefit of the local environment or community.

## WHAT WORK/PROJECT IS ELIGIBLE FOR FUNDING?

We're open to all ideas. Whether it's clearing an area to plant new woodland, regenerating old woodland, creating a sensory garden or community allotments, planting a food forest or introducing or reintroducing woodland skills. We're keen to support any project with nature in mind or those with a plan in place to ensure benefits are self-sustaining after funding has been applied.

## HOW TO APPLY

Download this application, complete and return it to us, or fill in the online version available at [www.jerseytreesforlife.org](http://www.jerseytreesforlife.org). We need as much detailed information as possible regarding the work or project, its aims and benefits, the costs and the time frame involved, as well as other relevant details and future plans. Any additional information you can provide us with i.e. photographs, drawings, maps, sketches and quotations etc will all benefit your application.

## WHAT'S THE DEADLINE?

All applications and supporting information should be received by 5pm Thursday 31 May 2018.

## WHAT HAPPENS NEXT?

We'll consider all applications and we may contact you for more information, to meet you to discuss your plans further, or to arrange a site visit, where relevant. We'll provide any agreed funding on production of receipts or signed contracts.

If you need more information or any help with completing this form, please contact us on [admin@jerseytreesforlife](mailto:admin@jerseytreesforlife) or call 857611.

NAME OF APPLICANT (& position where relevant): .....

NAME OF ORGANISATION OR CHARITY OF WHICH YOU ARE APPLYING (if applicable): .....

ADDRESS: .....
