Please note:

- The majority of whip stock will not be available until mid to late November at the earliest; this is due to the trees having to reach their dormant state prior to lifting
- All orders are subject to stock being available from the supplier
- All whips are bare root (BR) unless stated
- Jersey Trees for Life Members receive 10% off any price listed (must be a member at the time of ordering)
- Minimum order total of £15.00 across whips and materials
- Orders are to be collected. Date and time to be agreed once stock received
- Delivery may be available (not guaranteed) but will incur an additional cost
